

## Find somebody who ... ?

### Steps (for the teacher)

Give students the handout and they complete it individually. (Her bir öğrenciye materyalin çıktısını verelim ve öğrenciden bireysel olarak materyali doldurmasını isteyelim.)

### Steps (for the students)

The students ask questions to peers and fill in the necessary information. After the activity, students can make sentences. (Öğrenciler arkadaşlarına soruları sorar ve gerekli bilgileri doldurur. Etkinlikten sonra öğrenciler cümleler kurabilir.)
