

Reading

Hello! My name is Claw. I'm a street cat. I live next to the trash can. It is near the school. I get up at ten to nine in the morning. People put milk in front of their houses for me. I have breakfast with it. Later, I go to school. It is a great place. It is warm and children love me. They take me out for a walk and they play games with me. I attend lessons with them. I listen to the teacher. My favourite lesson is physical education. I can run fast and I can jump high. The school ends at quarter past four and I go back to my trash. I rest for an hour. I meet my friends and relatives at quarter past five. We run the errands. We play with our mouse friends at six, we jump in the trash at seven... Well... You know... Normal things cats do... I clean my tail at ten to ten and I sleep at eleven o'clock.
