

## Reading

I want to buy a house on the Sunny Street because it is near the centre of the town. The hospital, police station and the chemist's are very close to it. It's a peaceful place.

**Mandy**

I will probably buy the small blue house on the Daisy Street because it is a very nice neighborhood. There is a bakery next to the house and there is a very big grocery across the street. I always go there and buy lots of things. They sell fresh and delicious food.

**Blair**

My dream house is on the Star Street. There are many things you can do there. For example, you can see the works of famous artists, you can watch movies or you can meet your friends to drink something in the neighborhood.

**Carter**

I like the Speed Street because there is a big park there. It is a perfect place to walk or have a picnic. We sometimes go there with my friends, but I can't buy a house there because it is very expensive. We will probably buy the house on the Star Street.
